Introducing the Silhouette InstaLift!

Silhouette InstaLift delivers an immediate lift and gradually restores lost facial volume of the mid face by activating your own natural collagen production for a more youthful appearance that continues to improve over time.

Silhouette InstaLift's Micro Suspension Technology is comprised of micro cones that are placed in the deepest layer of mid-facial skin.

Call Contour You today for your FREE consultation for Facial Rejuvenation without Surgery!

SILHOUETTE INSTALIFT™
The breakthrough facial rejuvenation procedure that lifts sagging facial skin without the need for surgery, scars or general anesthesia.
